

## Musicmakers Affiliate Program

Thank you for your interest in our affiliate program. We are excited to partner with you!

### How It Works

As a Musicmakers affiliate, you can earn money by placing affiliate links to Musicmakers on your website, youtube, instagram, or wherever you are active online. Any time a customer clicks one of your affiliate links and then makes a purchase, **you earn a 10% commission**. Please note that the *only way you can earn a commission is when a customer navigates to our page by clicking your affiliate link and then places an online order*.

### Register as an affiliate on our website

Please visit our website to register as an affiliate:

<https://www.harokit.com/affiliate-login.html>

*Note your AFFILIATE CODE - this will be used in your affiliate links.*

Once registered and approved, you can create custom affiliate links that will be tracked on our website.

### Create affiliate links

Creating custom affiliate links to our website is simple.

Copy any url from our site and add **?Affiliate=affiliate code** to the end of the url.

#### Examples:

Your affiliate code is **saintcroix**

Your affiliate link to our home page would be:

<https://www.harokit.com?Affiliate=saintcroix>

Your affiliate link to our Reverie Harp Models page would be

<https://www.harokit.com/reverie-harp-models?Affiliate=saintcroix>

**Tip:** Some links can get a little long. You might consider using a URL shortening service such as [tinyurl](#) or [bitly](#). Some of these services allow you to create custom URLs that you can track.

## Get Paid

We will initiate a payment anytime your commission totals \$100 or more. All payments will be made through paypal.

*You must have a paypal account if you wish to be paid.*

You can check your current earnings anytime by [logging into your affiliate account](#).

## Cancellation

Musicmakers reserves the right to cancel your affiliation at any time. Should Musicmakers cancel your affiliation, you will promptly be paid any commission due.

## Questions or Support

If you have any questions about the program or need help getting started, please don't hesitate to reach out.
